survey numbers out of total 3349 (3195 survey numbers provisionally identified plus 154 Survey number provisionally identified and excluded in its final report by State Level Expert Committee (also known as Thomas and Araujo Committee).

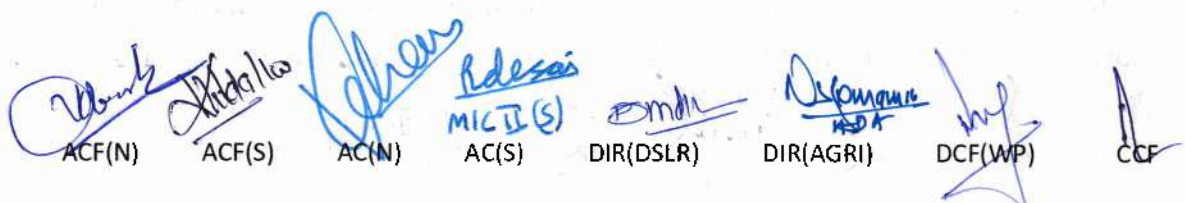

During the meeting, the Member Secretary informed all the members about the order dated 03/03/2025 of the Hon'ble Supreme Court of India in Civil Appeal No(s) 2135/2024 (I.A. No. 267501/2024) filed by the Goa Foundation Versus the State of Goa & others, wherein direction has been issued to the State Government that no further conversion sanad shall be issued in respect of 855 survey numbers (whole or sub division numbers) that are listed as finally identified and demarcated Private Forest by the Thomas & Araujo Committee till further order of the Hon'ble Court, as the same is already mentioned and communicated to their respective offices vide this office letter no. 120/DCF(WP)/Court Case/SC/2024-25/1160 dated 04/03/2025.

Further, the Assistant Conservator of Forests, North Goa Division and South Goa Division were directed by the Chairman to submit the details of No Objection Certificate issued before hon'ble Supreme Court order dated 03/03/2025 for conversion sanad and tree felling permissions by their division issued in these 855 survey numbers finalised by the Thomas & Araujo Committee for the office record on top priority.

Thereafter agenda-wise discussion was taken up and the following were decided

25.1 To Review of Survey numbers provisionally identified by Thomas And Araujo Committee.

The Review committee discussed on the proceedings of public hearing held on 24/01/2025, 05/02/2025, 05/03/2025 and finalized the area as at **Annexure I.**

ACF(N) ACF(S) AC(N) AC(S) DIR(DSLR) DIR(AGRI) DCF(WP) CCF

The committee has found an additional area in Survey number 59 of Uguem village Sanguem taluka admeasuring 3.15 ha. in addition to the already identified area in 4th part final report and an additional area admeasuring 23.256 ha. in survey number 212 of Sarzora village of Salcete taluka in addition to the area finalized in the 24th review committee meeting dated 23/12/2024 and the same are taken on record. Thus, finalizing an area of 522.024 ha as private forest.

25.2 To review survey numbers which are not qualifying the criteria of private forest

The review committee reviewed the survey numbers, after detailed analysis based on LISS IV FCM 2014-15 (FSI), Google Timeline change corroborated by LISS III FCM 2012- 13, Division offence case, Tree Felling, FCA & Court order etc. found that some survey numbers does not fulfil the criteria of private forests. The detailed list is enclosed as Annexure-II.

Total 44 Survey numbers are found to be non-qualifying for the criteria of Private Forest.

Thus, the Review committee in this meeting has reviewed a total of 86+2* survey numbers and identified an area of 522.024p ha. (* additional area is found in survey number which had already been identified as private forest by RC II in its previous 4th Part Final Reports/Review Committee meeting)
